

Benefiting Charity

The 200 Club of Hunterdon County Board of Trustees, acting on recommendations of the Club's Action Committee, directs the appropriation of funds. Those eligible to receive assistance from the 200 Club of Hunterdon County are next of kin of any police officer, fire fighter (volunteer or paid), ambulance or first aid squad member who represents a Hunterdon County agency and is killed or severely injured while in the line of duty.

The 200 Club of Hunterdon County is a charitable, non-profit organization established in 1976 in Hunterdon County, New Jersey. The Club's Executive Board, Trustees, Honorary Trustees and members serve in a volunteer capacity and receive great satisfaction from helping to provide for the families of fallen heroes.

The Hunterdon County Police Chiefs Association represents all municipal Police Chiefs in Hunterdon. Our goals are:

- Assist and coordinate law enforcement resources and expertise
- Foster existing relationships and create new partnerships
- Raise funds to support community activities
- Promote professional law enforcement standards
- Share information and address contemporary issues in our communities
